I stumble through this deep and damp grass  
of a colourful blooming willow  
I just think of you while picking flowers  
While you're lying on a blanket with a pillow  
Dreaming in the warming wind and sunshine  
And smiling cause this bunch is just for you

You're baking cakes with special items around  
Doing shoes and wheels and flowers  
For hour's floating in faraway spheres  
When it's done you proudly spread your wings  
I like cleaning up and marvel at your artwork  
a thankful smile is touching me: "This is just for you!"

**Bridge** (Lady sings) I really got it - I choose you as my personal hero | D - | - - | A - | - - |  
I send you a smile and seal it with a burning hot kiss | D - | - - | A - | - - |  
enjoy your affection all the time | G - | Bb C | D - | - - |  
bask in your love as much as I can | G - | Bb C | A - | - - |

Still working the other day  
To keep rain off our farmstead  
No wind or storm should blow in  
To extinguish your lovingly lit candle  
This makes that room shine in a cosy dim light  
And I'm happy in doing this just for you
